Shareholders of record of Ordinary Shares at the close of business on *Friday, August 15, 2025*, which is the record date (the “**Record Date**”) will be entitled to notice of, and are cordially invited to, attend the Meeting and to attend any adjournment or postponement thereof. **THE PROXY STATEMENT, OUR FORM OF PROXY CARD AND OUR ANNUAL REPORT ON FORM 20-F FOR THE FISCAL YEAR ENDED DECEMBER 31, 2024 ARE ALSO AVAILABLE ON THE INTERNET ON OUR WEBSITE AT [HTTPS://IR.ARBEROBOTICS.COM/COMPANY-INFORMATION/PROXY-MATERIALS](https://ir.arberobotics.com/company-information/proxy-materials) ON OUR TRANSFER AGENT’S WEBSITE AT [HTTPS://WWW.CSTPROXY.COM/ARBEROBOTICS/2025](https://www.cstproxy.com/arberobotics/2025) OR AT THE SEC’S WEBSITE AT [HTTP://WWW.SEC.GOV](http://www.sec.gov).**

Which Shareholders Are Entitled to Vote?

Only holders of record of Ordinary Shares at the close of business on the Record Date are entitled to notice of and to vote at the Meeting. The Company had 108,665,887 Ordinary Shares issued and outstanding as of July 31, 2025, each of which is entitled to one vote on each matter to be voted on at the Meeting. The presence, virtually or by proxy, of at least two shareholders holding at least twenty five percent (25%) of the voting rights, will constitute a quorum at the Meeting.

In determining whether there is a quorum for the Meeting and whether the required number of votes for the approval of any given proposal has been cast, ordinary shares subject to abstentions or to broker non-votes are counted for purposes of determining whether there is a quorum for the Meeting but, with regard to the applicable proposal, are not counted as having been voted in respect thereof. Broker non-votes are votes that brokers holding Ordinary Shares of record for their clients are, pursuant to applicable stock exchange or other rules, precluded from casting without receipt of voting instructions from beneficial owner (other than with respect to certain routine proposals). The only matter being presented at the Meeting on which brokers may vote without instructions from the beneficial owners is the approval of the auditors. With respect to all other matters, unless a shareholder whose shares are held in street name instructs the broker or bank as to how the shares should be voted, the brokerage firm or bank will not vote the shares.

If a quorum is not present within half an hour of the time designated for the Meeting, the Meeting will be adjourned to September 21, 2025, at the same time and place. At the adjourned Meeting, any number of shareholders who are present in person or by proxy, or who have delivered a proxy card, will constitute a quorum.

What are the Votes Required for the Resolutions?

The affirmative vote of a majority of the Ordinary Shares of the Company represented and voting thereon at the Meeting is necessary for the approval of all proposals on the agenda, provided however, that with respect to the approval of Proposal 2(a) with respect to the compensation terms of our CEO, that majority includes at least (i) a majority of the votes cast by shareholders who are not Controlling Shareholders (as defined below) of the Company and do not have a Personal Interest (as defined below) in approving the proposal, who are present and voting (abstentions are disregarded); or (ii) the total number of votes cast held by the shareholders who are not Controlling Shareholders of the Company and do not have a Personal Interest in approving the proposal that are voted against the proposal constitute two percent (2%) or less than of the total voting rights in the Company (the “**Compensation Majority**”).

When voting, Israeli law requires that each shareholder voting on Proposal 2(a) indicate if such a shareholder is a Controlling Shareholder and to indicate in the appropriate place in the proxy if such shareholder has a Personal Interest in the proposed resolution. If any shareholder casting a vote in connection hereto does not explicitly indicate on the proxy card the foregoing, then the shareholder's vote on the applicable item will not be counted. To avoid confusion and pursuant to relief regulations issued under the Israeli Companies Law and governing voting matters, unless indicated otherwise, we assume that every shareholder voting by means of the enclosed proxy card or voting instruction form, or via telephone or internet voting, will be deemed to confirm that such shareholder is NOT a Controlling Shareholder and does NOT have a Personal Interest in the proposed resolution (as those definitions defined below). If you are a Controlling Shareholder or have a Personal Interest in the proposed resolution under Proposal 2(a), please notify Maya Bar-On, the Company's Secretary and General Counsel, at maya.bo@arberobotics.com.

For these purposes, under the Israeli Companies Law a "Controlling Shareholder" is generally any shareholder that has the ability to direct the Company's activities (other than by means of being a director or office holder of the Company). A person, which includes a legal entity, is presumed to be a Controlling Shareholder if he/she or it holds (i) 50% or more of the right to vote at a general meeting of the Company, or (ii) 50% or more of the right to appoint directors or its chief executive officer. For certain purposes, including with respect to the approval of certain related party transactions, a shareholder holding 25% or more of the voting rights of a company would also be deemed a 'controlling shareholder' provided that, there is no other person who holds more than 50% of the voting rights of such company.

Under the Israeli Companies Law, the term "Personal Interest" includes a shareholder's personal interest in the approval of an action or a transaction of a company, not including any interest arising solely from holding the company's shares, but including (i) the personal interest of his/her immediate family, spouses, siblings, parents, grandparents, descendants, spouse's descendants, siblings or parents or the spouse of any of such persons; and (ii) a personal interest of an entity in which a shareholder or any of his/her aforementioned relatives serves as a director or the chief executive officer, or owns five percent (5%) or more of its issued share capital or its voting rights or has the right to appoint a director or chief executive officer. In addition, under the Israeli Companies Law, in case of a person voting by proxy for another person, "personal interest" includes the personal interest of either the proxy holder or the shareholder granting the proxy, whether the proxy holder has discretion to vote or not.

As of the date of this Proxy Statement, the Company is not aware of any Controlling Shareholders as such term is defined for purposes of the Israeli Companies Law; and (b) the Company believes that only a few of its shareholders may have Personal Interest with regard to Proposal 2(a) and it is aware of those shareholders in advance.

What are Requirements for Shareholder Proposals?

Any shareholder of the Company who intends to present a proposal at the Meeting must satisfy the requirements of the Israeli Companies Law and our Articles. Under the Israeli Companies Law, any shareholder who holds at least one percent (1%) of the Company's outstanding voting rights is entitled to request that the Board includes a proposal to be voted on by the Company's shareholders, at a future shareholder meeting, provided that such proposal is appropriate for consideration by shareholders at the Meeting. Pursuant to relief regulations issued under the Israeli Companies Law and governing voting matters of Israeli Nasdaq listed companies such as the Company, a proposal related to election or removal of a director from the Board is entitled only to shareholder who holds at least five percent (5%) of the Company's outstanding voting rights.

Such shareholders may present proposals for consideration at the Meeting by submitting their proposals in writing to Maya Bar-On, the Company's Secretary and VP Legal, at maya.bo@arberobotics.com. For a shareholder proposal to be considered for inclusion in the Meeting, our Secretary and VP Legal must receive the written proposal no later than seven days following that publication of the Notice for this meeting, i.e., August 17, 2025.

How do I request an electronic copy of the proxy materials?

We encourage all shareholders to enroll in e-delivery to receive the proxy materials electronically, as a simpler, speedier and more cost effective way to receive proxy materials. **Sign up here: www.cstproxyvote.com.**

Dr. Noam Arkind has served as the Company's director and Chief Technology Officer since inception on November 4, 2015. The Company believes that Mr. Marenko and Dr. Arkind are deeply involved and familiar with the Company's business and personnel, as well as having broad knowledge and experience, thus being best equipped to serve as our Chief Executive Officer and Chief Technology Officer, respectively, while being part of the Board.

Under his employment agreement, Mr. Marenko is currently entitled to a monthly salary of NIS 80,000 (approximately \$22,463). On April 30, 2020, Mr. Marenko received options to purchase 8,326 ordinary shares of the Company at an exercise price of \$1.221; On June 16, 2022, Mr. Marenko received options to purchase 300,000 Company's ordinary shares at an exercise price of \$6.44. As approved at the 2024 annual shareholder meeting, as part of an adjustment plan for certain employs of the Company, Mr. Marenko received a grant of 185,000 RSUs.

Under his employment agreement, Dr. Arkind is currently entitled to a monthly base salary of NIS 80,000 (approximately \$22,463). On April 30, 2020, Dr. Arkind received options to purchase 7,771 ordinary shares of the Company at an exercise price of \$1.221; on June 16, 2021, Dr. Arkind received an option to purchase 300,000 ordinary shares of the Company at an exercise price of \$6.44. As approved at the 2022 annual shareholder meeting, Dr. Arkind was awarded a special cash bonus in connection with his efforts, amounting to an aggregate amount of NIS240,000 (approximately US\$71,428). As approved at the 2024 annual shareholder meeting, as part of an adjustment plan for certain employs of the Company, Dr. Arkind received a grant of 185,000 RSUs.

In August 2023 our shareholders approved, following the approvals of the Compensation Committee and the Board, a framework annual cash bonus plan to each of Mr. Marenko, our Chief Executive Officer, and Dr. Arkind, our Chief Technology Officer, based on performance-based measurable criteria for each calendar year as of the year ended December 31, 2023 and onwards, until the year ended December 31, 2025 ("**Bonus Plan**"). The proposed Bonus Plan is intended to incentivize those officers by closely aligning their personal economic interest with our performance and share price appreciation.

Pursuant to the Bonus Plan, the target bonus in the event of 100% achievement of the target goals is three (3) months salary, while for overachievement performance of 120% and above, the officer may be eligible for an additional one (1) month salary, totaling four (4) months salaries. Our Compensation Committee and the Board may set during the first quarter of the year per each, the performance targets for each calendar year, while performance targets will be comprised of 70% measurable criteria and up to 30% of non-measurable criteria. In accordance with the authority of the Compensation Committee and the Board, the weights concerning the operating performance measures have been changed since the previous shareholder meeting discussing the Bonus Plan. The Compensation Committee and the Board are authorized to determine each year the performance target, and the achievement level of the pre-defined goals (without further approval by shareholders) based on the actual performance of the CEO and the CTO, respectively. Pursuant to the Bonus Plan's terms, we did not pay the CEO and CTO a bonus for the years ended on December 31, 2023 and December 31, 2024.

In special circumstances (e.g., regulatory changes, significant changes in the business environment, a significant organizational change, merger and acquisition events, or other similar events etc.), our Compensation Committee and the Board may make adjustments to the objectives, and in such special circumstances, to modify the objectives and/or their relative weights or the amount of bonus payouts (including decreasing such amounts to zero), in connection with the applicable bonus period.

[Table of Contents](#)

The table below sets forth the compensation paid to our chief executive officer, our chief technology officer for the year ended December 31, 2024.⁽¹⁾

Name and Principal Position	Salary ⁽²⁾	Financial Expense for Equity-Based Compensation ⁽³⁾	All Other Compensation ⁽⁴⁾	Total
Kobi Marenko, Chief Executive Officer	319,832	473,380	3,016	796,228
Noam Arkind PhD, Chief Technology Officer	327,960	473,304	3,016	804,280

- (1) All amounts reported in the table are in terms of our cost as reflected in our consolidated financial statements for the year ended December 31, 2024, plus compensation paid to such Covered Executives in 2025 in respect of employment provided during 2024.
- (2) Salary includes executive's gross salary plus payment of social benefits made by us on behalf of such executive. Such benefits may include, to the extent applicable to the executive, payments, contributions and/or allocations for savings funds (such as managers' life insurance policy), education funds (referred to in Hebrew as "keren hishtalmut"), pension, severance, risk insurances (such as life, or work disability insurance), payments for social security and tax gross-up payments, vacation, convalescence recreation pay and other benefits and perquisites consistent with our policies, to the extent applicable.
- (3) The equity-based compensation represents the "financial expense" as reflected in our consolidated financial statements for the year ended December 31, 2024, with respect to equity-based compensation vested during 2024. The amount of equity-based compensation does not represent the market value, nor does it represent the number of RSUs or options granted to our executives; rather it reflects the non-cash financial expenses amortized for such equity-based compensation in our financial statements for the year ended December 31, 2024. Assumptions and key variables used in the calculation of such amounts are described in Note 10 of Notes to our Consolidated Financial Statements, which are included in our annual report.
- (4) All other compensation represents mainly incidental monetary benefits.

The Proposed compensation
